Il "LACCATO ECOLOGICO"

ricavato dalla massa colorata e pressata in finitura perla che conferisce al mobile la sensazione tattile e ottica del verniciato, aumentandone la resistenza all'uso e al graffio, senza l'utilizzo di vernici ma in maniera del tutto naturale.

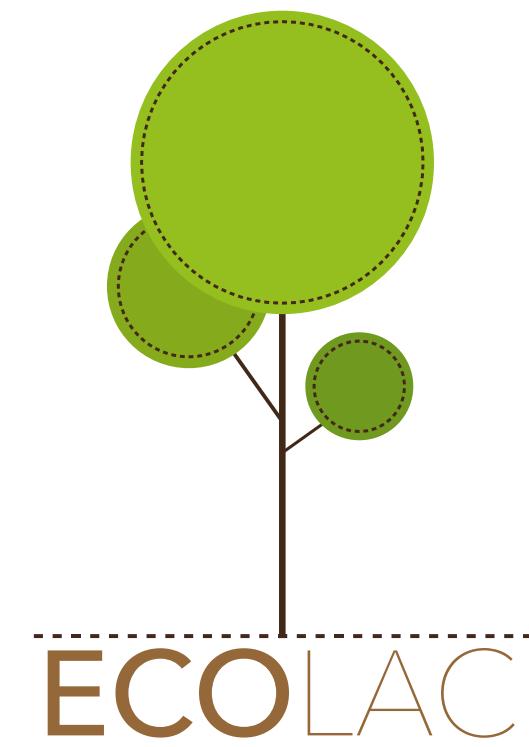

The "ECOLOGIC-LACQUERED"

obtained from the mass of color and pressed in pearl finish that gives it the texture tactile and optical coated with a surface more resistant without bringing home paint.

Le laquée écologique est dérivée de la masse de couleur et pressé dans la finition de perle qui donne à l'armoire la sensation tactile et optique du vernis, augmentant sa résistance à l'usure et aux rayures, sans l'utilisation de vernis mais d'une manière tout à fait naturelle.
